

Eastern Junior Inter-Regional Championship Selection Policy -2024

The Junior Inter Regional championship (JIRR) for J14- J16 is being planned for **Nottingham (NWSC) on Saturday 20th April 2024.**

This document aims to describe key principles and processes for the selection of crews to represent the Eastern Region for this event.

Our intention as a region is to open up the competition for all clubs and schools to take part in a regatta style event for selection but to also create a fair and equal qualifying experience. We strongly encourage all schools/clubs in the region to send crews if competent to do so.

After consideration of numbers of interested crews, trials are necessary for the following categories:

	8+	4+	4-	2-	4x-	4X+	2x	1x
J14						O/W	O/W	
J15		O/W				O/W	O/W	O/W
J16		O	W	O/W	O/W		O/W	O/W

(The J16 8+, WJ16 8+, will be selected from results of Schools Head due to entries mainly from schools)

Selection Dates:

Plan A

1 day Trial Event at Peterborough City Rowing Club - Sunday 10th March

I will be discussing with the organising chair in due course but we envisage that categories with;

- 1 to 4 entries will race a straight final
- 5 to 8 entries will race a time trial with the fastest 4 crews progressing through to A final
- 9+ entries will race a time trial with the fastest 4 crews progressing through to A final

We hope to be able to offer B/C finals for events with 6+ entries, subject to timetable

Plan B

Will be determined by the information available from recent events entered as well as the athlete information that has been provided on the intention to enter spreadsheet.
