

Eastern Junior Inter-Regional Championship Selection Policy -2025

The Junior Inter Regional championship (JIRR) for J14- J16 is being planned for **Nottingham (NWSC) on Saturday 26th April 2025.**

This document aims to describe key principles and processes for the selection of crews to represent the Eastern Region for this event.

Our intention as a region is to open up the competition for all clubs and schools to take part in a regatta style event for selection but to also create a fair and equal qualifying experience. We strongly encourage all schools/clubs in the region to send crews if competent to do so.

After consideration of numbers of interested crews, trials are necessary for the following categories:

	8+	4+	4-	2-	4x-	4X+	2x	1x
J14						O/W	O/W	
J15		O/W				O/W	O/W	O/W
J16	O/W*	O	W	O/W	O/W		O/W	O/W

*OJ16 and WJ16 8+'s will be selected from race results and submitted information (E.g. SHORR)

Selection Dates:

Plan A

1 day Trial Event at Peterborough City Rowing Club - Sunday 16th March

- 1 to 4 entries will race a straight final
- 5 to 8 entries will race a time trial with the fastest 4 crews progressing through to A final
- 9+ entries will race a time trial with the fastest 4 crews progressing through to A final

We hope to be able to offer B/C finals for events with 6+ entries, subject to timetable

Plan B: In case of cancellation of trial event

Will be determined by the information available from recent events entered as well as the athlete information that will be collected prior to the trials. Crews selected will be informed on **Sunday March 30th.**
